

IOWN Global Forum Japan Regional Workshop 開催概要

IOWN Global Forum Event Notice
Japan Regional Workshop

IOWN Global Forum 活動を加速するため、Japan Regional Workshop を開催。フォーラム最新動向と具体的な PoC やデモに触れ、メンバ間の交流と新たな活動へのヒントを得るチャンス！
To accelerate the IOWN Global Forum activities, a Regional Workshop will be held in Tokyo, Japan for local Members to attend and participate in discussions in Japanese. This will be an opportunity to capture the latest movements in the Forum, see and experience real PoCs, some with demonstrations, and network with attending members which would be a great chance to find hints for new activities.

プログラムの概要 (予定)

Program outline (plan)

WG 活動内容について WG チェアや TF リーダから解説。

Presentations on the latest activities by WG chairs and TF leaders.

様々な PoC の内容や実施時の課題や成果等、各社担当者から具体的にトーク。

Presentations by participating company representatives on various PoCs about their objectives, as well as expected issues and accomplishments when executed.

各社からの IOWN 関連技術の展示を実施。

Member company presentations and demonstrations on IOWN related technology.

参加メンバ間での情報交換、交流の場を提供。

Attending member open networking time will be available for information exchange, or any other topic.
